As of _____ the following amount is due _____ for utility service(s) at (your service address) _____

In consideration of the agreement of the City to provide continued utility services I/we hereby agree as follows:

1. that the above statement of account is correct.
2. that I/we will pay past due amount over _____ month(s) in the amount of _____

in addition to my current charges each month BY THE DUE DATE, beginning with my **next** statement until the balance is paid in full;

3. I/we understand that failure to pay the current charges plus the agreed amount each month will automatically void this agreement. In that case, the account will then be processed as delinquent and the service will be disconnected as scheduled. Before services will be reconnected, **all outstanding charges must be paid in full in addition to applicable service charges;**

4. I/we understand that failure to keep these payment arrangements may result in possible legal action and we will be responsible for any legal fees and costs incurred by the City of Farmington in successfully pursuing such legal action;
5. that I/we must inform the City of Farmington of any changes in service address, mailing address, or telephone number, and;
6. that I/we will be required to pay a deposit **equal to two month's average bill** should we connect services elsewhere.

___ Any signature (including any electronic symbol or process attached to, or associated with, a contract or other record and adopted by a Person with the intent to sign, authenticate or accept such contract or record) hereto or to any other certificate, agreement or document related to this transaction, and any contract formation or record-keeping through electronic means shall have the same legal validity and enforceability as a manually executed signature or use of a paper-based recordkeeping system to the fullest extent permitted by applicable law, including any New Mexico state law based on the Uniform Electronic Transactions Act, and the parties hereby waive any objection to the contrary
